

# WORLD SPORTS FESTIVAL 2011

June 23 – 26, 2011  
Lower Austria and Vienna

**GENERAL INFORMATION**

## The World Sports Festival (WSF)

The **World Sports Festival** is a unique sports event for young people. In the last three years more than **15.000** participants from **30 nations** took part in the competitions under the patronage of **UNESCO**.

All in all **10 INTERNATIONAL SPORTS TOURNAMENTS** are combined for the World Sports Festival. Many athletes from the last years will come 2011 again. This is amongst others a guarantee for interesting and exciting competitions in 2011. For four days the athletes will prove their sports skills. They will create an unforgettable atmosphere in Vienna and Lower Austria and celebrate together a great sports festival.

**What makes the World Sports Festival a unique event is not only the abundance of nations and young athletes but also the diversity of sports. Next year participants will match each other in TEN different disciplines:**

**American Football**

**Basketball**

**Bowling**

**Soccer**

**Swimming**

**Tennis**

**Table Tennis**

**Volleyball**

**Wrestling**

**Racketlon**

You will find all important information of every single sports tournament at the end of this brochure. Of course all this information you can find online: [www.world-sports-festival.com](http://www.world-sports-festival.com)

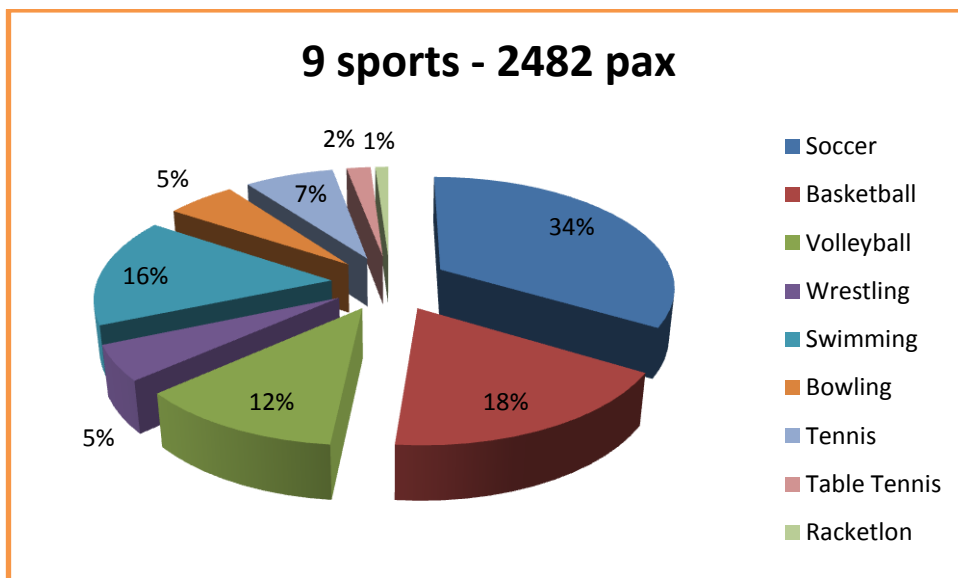

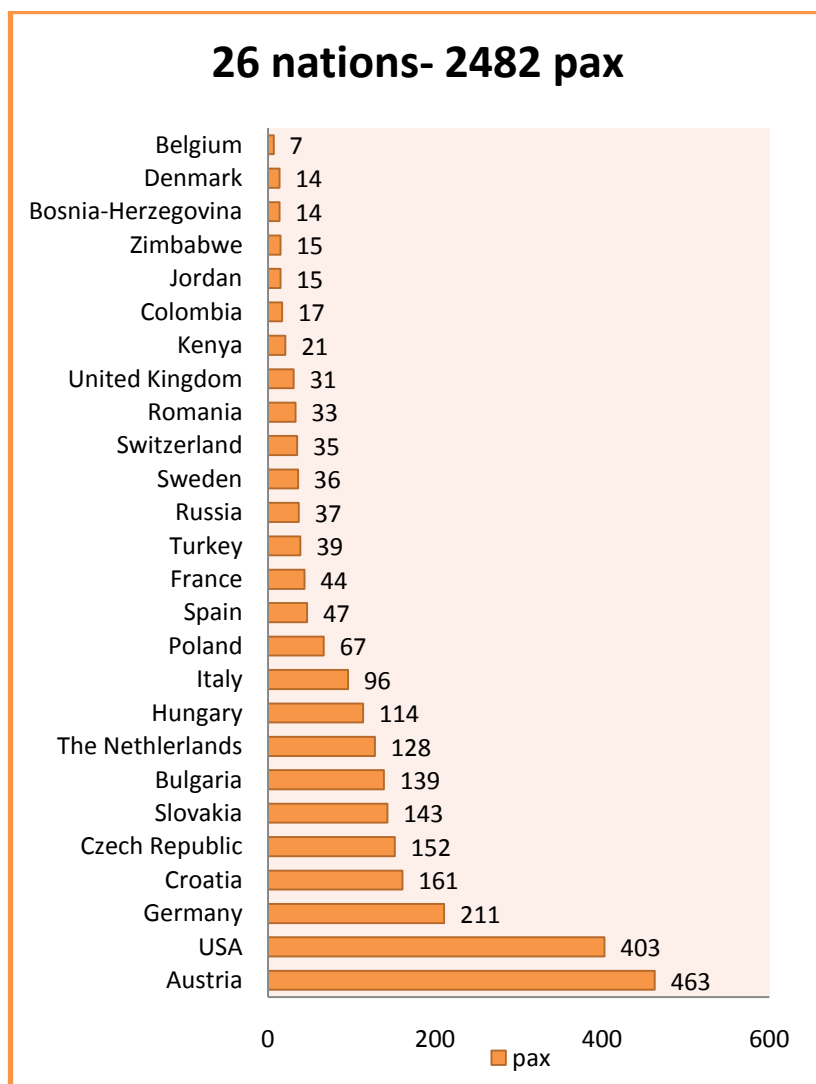

An important aspect of the World Sports Festival is also that it is not just concerned with striving for seconds, points and goals. What makes this sports event special, is that here there is a **unique opportunity to meet people from all over the world**. Previous years have shown that during the side-events in the evening in the "Players Town" – the heart of the sports festival – life-long friendships have been made.

The World Sports Festival is a place where color of skin, religion or heritage play no role. It is our goal by 2015 to make the World Sports Festival THE largest sports event for young people with more than 10,000 participants from more than 30 nations.

You can easily **register** on our homepage [www.world-sports-festival.com](http://www.world-sports-festival.com) or contact us at ([office@world-sports-festival.com](mailto:office@world-sports-festival.com)) and request a registration form that we will gladly send to you by mail.
